# Marquees

A private marquee at the polo provides a unique platform to showcase your brand and entertain clients.

The Australian Open Polo stands as the pinnacle of Summer's social and sporting calendar, showcasing the best in polo action, trendsetting fashion, and unparalleled hospitality within an exhilarating ambiance. Seize the opportunity to immerse yourself in the luxury of a private marquee at the polo, offering a unique platform to elevate your brand and captivate your clientele.

We are thrilled to offer 10 premier Corporate Marquees for purchase, positioned on the upper tier of the main field, providing panoramic views.

Each marquee spans 6x6 meters with fenced courtyard, comfortably hosting 30 guests. The marquees come complete with a furniture package, with the potential to transform these spaces by adding your own creative flair by way of decoration or upgrading your furniture selection.

The marquee's are a dry hire, giving you the option to bring your own caterer, or use one of our preferred suppliers. Alcohol must be purchased through Larapinta's preferred suppliers, with a number of premium and basic options available for your consideration.

Should you require more space, marquees can be seamlessly combined to expand capacity.

## **BUILD YOUR OWN MARQUEE PACKAGE \$3,500**
